- Wrapping up sports, playoffs taking place.
- Merchandise is being finalized.
- Awards have been distributed.

**CRO Update**

- Elections are over.
- Gemner Sandoval and Amran Adam each deducted 20% for two separate infractions (campaigning during elections period and running with another candidate).

- Constituent concern: In the past (2019 rules), any campaigning after campaign period should have resulted in 100% deduction. All other colleges disqualify candidates who campaign during elections.
- Helia did not have access to the old rule document, though the deductions do not change the outcome of the election.
- MOTION: Ratify the CRO report (attached)
  - Seconded by Yashna
  - 10 in favour, 0 opposed. Motion passes.
